**JOHN D. ROCKEFELLER COULD POINT WITH PRIDE TO HIS FIRST DEPOSIT IN THE BANK.**

**HE HAD ENOUGH IN THE BANK TO TAKE THE FIRST BUSINESS OPPORTUNITY SO CAN YOU IF YOU PUT IT IN THE BANK**

We all know the story of Mr. Rockefeller, and Mr. Carnegie, or Schwab, or any of our other great fortune builders. They began by PUTTING THEIR MONEY IN THE BANK. Not because they had too much—oh, no! They wanted that money in the bank so it would be safe and so it would be there to grasp the first good BUSINESS OPPORTUNITY. None of them dabbled in get-rich-quick schemes peddled around by smooth strangers.

tist church will give a silver tea at the home of Mrs. S. M. Allen Saturday afternoon from two to five. A nice lunch will be served. Let everybody attend and take a piece of silver anywhere from a dime to a dollar.

Mrs. C. R. Jones entertained a number of her friends Thursday with an elaborate dining, the occasion being the birthday of her mother, Mrs. Thomas McClintock.

Cards are out announcing the St. Patrick entertainment of the Bible Class of the Christian church Saturday evening from eight till ten. The invitation is to the classes of the Sunday school.

Mrs. C. M. Best announced at the Commencement exercises of the M. M. I. in June last year that at the same time in this year, being the twentieth anniversary of the work of Col. and Mrs. Best in Millersburg, that they proposed to give a home coming

to all the students who had attended the institution up to that date. It was also suggested that the citizens of Millersburg and surrounding country follow this example, having all the friends present who could be here that had formerly resided in and around Millersburg. There ought to be a meeting called in the near future for the purpose of making arrangements looking to this pleasant event. Mrs. Best has already begun on her part of the work, and is in correspondence with all the past students of the institution. Everyone should co-operate with her and be ready to lend us any assistance necessary.

### Property to be Improved.

Mr. George W. Davis, who for many years has occupied the store room at the corner of Main and Fifth streets, will move his undertaking establishment to the old Presbyterian church property which is being remodeled for that purpose. The large cupola has been removed and a foundation is now under construction for an office building.

When Mr. Davis gives possession of the building he occupies at present the firm of Daugherty Bros. will move their establishment into it. The building will first undergo extensive repairs and it is said many new improvements will be made in the property.

### Spring Millinery.

Our Annual Spring Millinery Opening will be held on Thursday, March 20, 1913. This season the hats are exceptionally pretty. We think our selection is the very 'nobbyest' we have ever selected. We want the ladies to come in on this occasion and inspect our stock.

HIGGINS & FLANNAGAN.

### DEATHS.

#### FORD.

The news of Mrs. Rebecca Louise Ford's death at Asheville, N. C., March 7, brought sadness to the hearts of many friends and relatives who knew her and loved her.

She was born in Alexandria, Va., in 1825, of Godly parents. Her father, Mr. Presley Simpson, is well remembered here, having for a number of years made his home with his younger daughter, Mrs. James E. Ford.

Mrs. Ford spent her girlhood in Washington City, where she received a classical education, and had unusual accomplishments for the times in which she lived. She was a woman of strong intellect and will gifted with the qualities of leadership in social and religious life and of most winning personality.

Married at the age of 22 to Franklin M. Ford, of Bourbon county she reared five splendid sons and one devoted daughter. With unusual foresight and ability she early directed and supervised the education of her children until they were prepared for college. In addition to these duties she was a most accomplished housekeeper and noted for her hospitality. Blest with a wonderful constitution, Mrs. Ford preserved almost perfect health throughout her long life and adapted herself with rare tact to people of all ages and manifold conditions. A life-long member of the Methodist church she was devoted to its interest. Her pathway was radiant with the bright shining of good deeds. After the death of her husband she lived a number of years in Paris, where she was greatly beloved.

The last twelve years she made her home with her daughter, Miss Elizabeth Ford, who is principal of a girl's school in Asheville, N. C. Mrs. Ford had made many friends in Asheville, and was a benediction to all who knew her. She was spared a lingering illness, and "knew not the sting of death." She went to sleep so happy and contented as a little child, a wonderful translation from this life to a perfect one above. "Her children rise up and called her blessed."

Mrs. Ford is survived by three sons—E. S. Ford, of Tulsa, Okla.; Louis Ford, of Cincinnati, O.; and a daughter, Miss Elizabeth Ford, of Asheville, N. C.; also ten grandchildren and one brother, E. F. Simpson, of Washington, D. C. Few of her contemporaries are left.

#### BROOKS

—Mrs. Elizabeth Brooks, aged 84 years died yesterday morning at the home of her son, Dr. W. T. Brooks, on Duncan avenue after an illness that has extended over a period of several months.

The latter part of last October Mrs. Brooks, who was very infirm, suffered a fall at the home of her son and as a result has since been confined to her bed. Her condition, while regarded as serious by the members of the family, showed a marked improvement until about two weeks ago she suffered an attack of acute indigestion, and since that time her decline was very rapid until the end came at about about three o'clock yesterday morning. Mrs. Brooks was born on April 2, 1829. She was a native of Rockcastle

### Spraying to Protect Fruit Trees.

As a subject of importance to farmers and others interested in fruit growing here are given the different spraying preparations recommended by Mr. W. W. H. Clayton, of Boone county.

It will be remembered that during the session of the Farmers Institute held at Paris a few weeks ago that Mr. Clayton delivered a very interesting and instructive lecture on the planting, care and culture of all kinds of fruits.

He urged upon the people the necessity of spraying in order to protect the trees, foliage and fruits against the insect pests that prey upon them.

For the San Jose and other scale insects he advises spraying with lime sulphur solution. After the falling of the leaves in autumn and before the buds put out in the spring, using one gallon of the commercial lime sulphur solution to 10 gallons of water, for fungus diseases and insect pests use the Bordeaux Arsenate mixtures.

Mixture No. 1—3 pounds of sulphate of copper, 4 pounds fresh stone lime, 3 pounds arsenate of lead paste, all dissolved in fifty gallons of water.

With this mixture spray apples, quinces, gooseberries, currants and other tough foliage plants, first when most of the petals have fallen; second, ten to fifteen days later; third, July 10 to 20.

Bordeaux No. 2—2 pounds copper sulphate; 3 pounds fresh lime, 4 pounds arsenate of lead, dissolved in 30 gallons of water.

Use this mixture on peaches, plums, pears, cherries, nectarines and other tender foliage plants.
